# Welcome to Professional Beauty Academy

**Professional Beauty Academy is a recognised, accredited training academy with the Guild of Professional Beauty Therapists, offering Beauty Therapy Courses, Nail Technician Courses and Holistic Therapy Courses for total beginners and existing therapists wishing to add the their skills. With 23 academies located throughout the UK you can be assured of a high level of training from our elite team of educators, who are all highly qualified and experienced in all aspects of beauty, nails, and holistic therapies. Whilst training with us we provide a 'hands on' approach to ensure that all students reach a high level of competency and confidence during their training.**

**We work in a relaxed and friendly environment which helps to put students at ease so that their level of learning is enjoyable which helps them become effective learners. Once training is successfully completed a professional certificate is awarded.**

**If your aim is to become a beauty therapist, nail technician or holistic therapist we will Endeavour to help you achieve your goals. We offer a complete back up and support system even when training is completed. College beauty and nail training kits are available to purchase at discounted prices for all students enrolled on our training programmes. NVQ qualifications are available on all courses advertised, this will be at an additional cost, please ask for details.**

## **DIPLOMA**

Once students have successfully completed their training course(s) they are awarded with a Professional Diploma, which qualifies them to offer treatments to paying clients. We are a recognised academy with the Guild of Professional Beauty Therapists for membership and professional indemnity insurance. Once you have registered you will be able to use the designations Dip. MGPBT after your name.

We concentrate on the practical aspects of our courses. All students are required to take a short test at the end of each course to ensure they have an understanding of the subject taught. Assessments are conducted throughout the training day by the tutor. Should a student fail to complete a course successfully, we will provide extra tuition completely free of charge. Study periods may be done at leisure using the fully comprehensive training manuals provided. Help and support is available as required.

## **SYLLABUS**

Our training courses will also include the following subjects:

**Professional Ethics**

**Client Records**

**Hygiene, Health & Safety**

**Contra-indications**

**Reception & Preparation of Client & Materials**

**Related Anatomy & Physiology**

**Client After care**

**Promotional & Marketing Techniques**

**Setting up your Business**

## **ACCREDITED COURSES**

**All our courses are accredited for prestigious qualifications:**

- **The Guild of Professional Beauty Accredited Diploma Courses**
- **NVQ/VTCT**

**Having the option to choose the level of qualification you want appeals the most learners.**

**Our Accredited Diploma Courses are insured with The Guild of Professional Beauty Therapists, this is one of the largest Trade Associations for Beauty Therapists in the UK. All students will be able to advertise their businesses completely FREE of charge, or can upgrade to a more substantial entry at a fixed cost. A monthly magazine is also issued to keep members up to date with industry news.**

**If students wish to progress further NVQ qualifications are available. This is a nation-wide qualification which is also recognised as an accredited qualification with The Guild of Professional Beauty Therapists and other Trade Associations.**

**Students can if they wish top up their Accredited Courses at a later date to an NVQ.**

## **EQUIPMENT**

**Professional Beauty Academy is an on-line wholesaler for beauty therapy equipment. We offer students a 5% discount on all products that are supplied by us, during and after training courses have been completed.**

**We use two major branded products**

- **Salon System**
- **Le Chat Nail Care Products**

**Salon System products are used for facials, waxing, eye treatments, eyelash extensions, manicure and pedicure, we use the higher end products such as the Thai Spa range which gives an overall Spa experience during training.**

**Le Chat Nail Care Products are used for acrylic and gel enhancements. For the gel we offer Nobility a soak off option as well as the Powder Gel system which does not soak off. This system is a cross between acrylic and gel, it offers the flexibility of a gel yet the strength of an acrylic.**

**Other items of equipment are available should students wish to purchase products before they leave our academy.**

**See our on-line trade shop for further information [www.professionalbeautyacademy.co.uk](http://www.professionalbeautyacademy.co.uk)**
